

Licensed Ceremonies

Licensed to hold Civil Ceremonies for Weddings and we are a fully Inclusive to all and are happy to design Your day Your way. However please note you will need to arrange and book a registrar from the local council yourselves and abide by any law requirements they have. Whilst we provide the necessary arrangements (
Private room before ceremony, Car parking for registrar etc.) the fee and arrangements for your registrar must be done by yourselves and are not included in any of our prices.

Caseys will then plan your day around your booked timeslot to ensure it runs to plan.

Casey's upholds its reputation for bringing excellent standards, quality products, great staff and a personalised service for your event, more importantly all at pub prices, without the expense of hiring a marquee or without the constraints of hotel packages. Caseys can hold easily up to 180 people for both a Ceremony and sit down meal.

Above all our team are open to Your Ideas.

Personalised Planning:

Caseys as a venue has run over 100 weddings and every bridal couple has been looked after one on one to make their day personal to them. With a fabulous team on hand to answer any questions and set up your event there's really no need to get stressed about the Big day. Furthermore you will be guided through and given help planning the event by one of our Wedding Coordinators who will not only help plan but be on hand to run your event too. We will book meetings at times to suit yourself daytimes, evenings or weekends and help plan the process, don't worry about money we offer plenty of payment plans & methods to help.

"Caseys is a little family with a big heart, the staff are passionate about their guests and often become friends."
(Nicola Casey Owner)
